### Mini Clinic

As mentioned above, we will have a mini clinic on May 12th. Mini 4-Her's read the enclosed letter for more information. Regular 4-H members: if you are planning on helping with a Mini at the fair, please plan to attend even if you can't bring a horse. We will have open arena after the Mini 4-Her's are done.

### May 4-H Meeting

May 14th will be our next 4-H meeting at Victory Baptist Church beginning at 6:30 pm. We will be working on books and record sheets so bring all your paperwork with you! There will be plenty of people to help with questions you may have!

#### Livestock Members

Don't forget retinal scan for beef, sheep & goats is May 9th.

Sponsorships Due May 28th  
PLEASE BE EARLY  
IF POSSIBLE!!!

#### Concession Stand

We are hosting a concession stand for the tractor show on May 22nd in the evening & 23rd during the day. Workers are still needed. Please sign up with Cindy soon if you will be available to help. Don't forget, you can earn incentive points!

### Versatility Rules

Rules for versatility are changing this year. Watch the website for revisions. The date this year is July 2nd at 6:00 pm.

### Petting Zoo

The Lion's Club also wants a horse at their petting zoo on Friday & Saturday (July 17 & 18). If you have an animal that would work, contact Cindy or Emily.

### Fair Dates!

July 11th: English & Western Halter/Showmanship, Mini 4-H, Challenged Riders, Western Performance  
July 18th: Jumping, English Performance, Contesting

### Fair Stalls

Please fill out your stall application and give to Emily ASAP. We need 5 horses per day (Monday, Tuesday, Wednesday) to be at the fairgrounds. This will help promote our project to others who may not know about us! Cindy & Emily must approve your horse. You can get an application from either of us!

### Mini Match-Up

Mini Match-Up will be June 18th. Mini 4-Her's, again, read the enclosed letter and mark your calendars. 4-H members should mark your calendars as well, this is an important evening for everyone to get acquainted with each other.

No meetings in June or July. Read newsletters for club information!
